## **ABOUT**

- The main purpose of the Bird's Eye View of the Quran is to present brief summaries of the Quran page by page. Some of the benefits are:
  - You can learn the general message of the Quran page by page
  - You can remember the key messages of the verse or group of verses while reciting
  - It can generate further interest in learning and understanding the Quran
  - It can be a Daur-e-Quran (going over the brief message of the entire Quran in 26 sessions) which is valuable particularly in Ramadan.
- Some details of the methodology are:
  - 15-line Quran is used, a soft copy of which can downloaded here
  - Verses on each page are grouped based on a common message and the key pointers<sup>1</sup> and some obvious lessons where possible are highlighted on the side. However, for detailed explanations, you should refer to translations and tafseer books.
  - The sessions are divided into 26 parts and each part is presented separately, other parts are available at <a href="https://www.fussilat.com">www.fussilat.com</a>.
  - Visit www.understandguran.com to understand the Quran The Easy Way

<sup>&</sup>lt;sup>1</sup>Pointers are a general indication of the key meanings in the verses and do not necessarily capture every message, but give a general idea

Angels pray for Jannah to the believers and to be saved from their sins

- It will be said to disbelievers on Qiyamah: Allah's hatred was much for your disbelief than your hatred for yourself in Jahannum now.
- They will confess their crimes and plead for another chance
- They will ask for another life after two lives and two deaths

- Call Allah alone because He is the one who can provide
- Allah has the highest degree
- On Qiyamah, there will be no ruler except Allah alone, and He is prevailing
