  - \* You can remember the key message of the verse or group of verses while reciting
  - \* This can generate further interest in learning and understanding the Quran
  - \* It can be use for a Daur-e-Quran (going over the brief message of the entire Quran in 26 sessions) which is valuable, particularly in Ramadan.
- Some details of the methodology are:
  - \* 15-line Quran is used, a soft copy of which can downloaded here
  - \* Verses on each page are grouped based on a common message and the key pointers and some obvious lessons where possible are highlighted on the side. However, for detailed explanations, you should refer to translations and tafsir books.
